ICE MACHINE

WU-0100-AC

AIR COOLED

KEY FEATURES:

- Stainless-steel exterior (durable & rust-resistant)
- Up to 105 lbs of ice production (70F/50F, 24H)
- Ice type: full cube
- 27 lbs of ice storage
- Control board diagnostics
- Improved freezing surface technology
- Easy access to the front air filter
- Stainless steel legs for height adjustment
- Air ventilation (front air in and out)
- Easy exchange front load **built-in** water filter
- R-134A refrigerant
- Power cord with NEMA 5-15 plug
- Energy Star® qualified 

STANDARD WARRANTY:

- Ice Maker: 3-Year Parts & Labor
- Evaporator: 5-Year Parts & Labor
- Compressor: 5-Year Parts & 3-Year Labor

FWU-0100R

*Built in Carbon Block Water Filter
(One unit is included when you buy a new machine)*

Remove air filter by sliding forward

Front, in/out ventilation for optimal air flow and efficient production

**Easy replacement
Water Filter**

A filter is required for this machine to operate. If your machine stops producing ice, it is likely time to replace this filter. It is recommended that you replace the filter every 6 months, or more often depending on the quality of your water.
